FLUOR[®]

Corporate Profile

FLUOR CORPORATION

Fluor Corporation (NYSE: FLR) is a global engineering, procurement, fabrication, construction and maintenance company that designs, builds and maintains capital-efficient facilities for its clients on six continents. Headquartered in Irving, Texas, Fluor is a *FORTUNE* 500 firm and had revenue of \$18.1 billion in 2015.

For more than a century, Fluor has served our clients in the energy, chemicals, government, industrial, infrastructure, mining and power market sectors by delivering innovative and integrated solutions across the globe.

Fluor's valued employees have built power plants that light up our homes, petroleum plants that fuel commerce and roads and bridges that connect our cities.

Consistently rated as one of the world's safest contractors, Fluor's primary objective is to develop, execute and maintain capital projects on schedule, within budget and with operational excellence. With its more than 60,000 employees executing projects globally, Fluor serves more than 4,000 clients in over 100 countries.

Fluor employees are dedicated to making socially responsible contributions to the global community. Fluor and the Fluor Foundation's philanthropic works have resulted in more than \$178 million in contributions and hundreds of thousands of volunteer hours served. Through its participation in the World Economic Forum, Fluor is actively leading the development and implementation of a multi-industry, zero-tolerance, anti-corruption program that will dramatically level the business playing field and spur economic development globally. Fluor's values of integrity, excellence, teamwork and safety are central to all employees' endeavors.

Fluor's reputation is well-regarded worldwide, as the top engineering and construction industry's "Most Admired Companies," both in the U.S. and globally, as recognized by *FORTUNE* magazine. Additionally, Fluor consistently ranks on *Ethisphere*'s "World's Most Ethical Companies" list and *Corporate Responsibility Officer*'s "100 Best Corporate Citizens" list. *Engineering News-Record (ENR)* magazine consistently ranks Fluor among the top companies in its Top 500 Design Firms, Top 150 Global Design Firms, Top 200 International Design Firms and Top 100 Contractors by New Contracts.
