

# GLOBAL UNIVERSITY SPONSORSHIP PROGRAM

## Global University Sponsorship Program

Supporting higher education and investing in programs that develop a diverse and skilled workforce are key priorities for Fluor. Through its Global University Scholarship (GUSP) program, Fluor sponsors annual grants for 26 member colleges and universities focusing on engineering, construction and business programs. The GUSP program fosters strong relationships between Fluor's executives and university faculty, staff and students, leading to a more robust talent development pipeline, internship opportunities and future job prospects for qualified students.

## Fluor Commits \$1 Million to Three Historically Black Colleges and Universities

In June 2021, Fluor Corporation and the Fluor Foundation committed \$1 million, including matching donations, to North Carolina Agricultural & Technical University, Texas' Prairie View Agricultural & Mechanical University and Alabama's Tuskegee University. The addition of these three Historically Black Colleges and Universities recognizes the outstanding engineering programs at each of these institutions and the work they are doing to help prepare a diverse workforce for today's competitive global engineering and construction industry.

To learn more about the Global University Sponsorship Program, visit Fluor's website at [www.fluor.com](http://www.fluor.com) or contact [Lynn.Mann@fluor.com](mailto:Lynn.Mann@fluor.com).
